

HOLD EACH OTHER VERY CLOSE THIS CHRISTMAS

**Christmas time Precious hours together
Make the time To hold your loved ones near
Each passing year brings both laughter and sorrow
Each happy mem'ry can help face tomorrow
And some time at Christmas we'll remember
Precious moments we'll look back upon
So hold each other very close this Christmas
For who know when that chance may just be gone?
Hold each other very close this Christmas
And wish that moment could go on and on**
