

I WANT TO SPEND THIS CHRISTMAS WITH YOU

**I want to spend this Christmas with you
There's nothing else that I would rather do
Than hang the decorations on the Christmas tree
Listen to some music written just by me
I know there's lots of games that we could play
I think I'd rather party night and day
You know there's nothing I would rather do
Than try to spend this Christmas
And every other Christmas
I want to spend this Christmas with you**

**We could do the things the Grandkids like the best
But then I'd have to lie down for a rest
It would make my wildest dreams come true
If I could spend this Christmas
And every other Christmas
I want to spend this Christmas with you**
