

WE NEED ANOTHER CHRISTMAS SONG

We need another Christmas song We've had the same ones far too long
All I want for Christmas is you is all we hear
And it's not the most wonder ful time of the year
White Christmas keeps on being played
Ev 'ry body having fun ought to be slayed
Jing le bells and Rudolph Do we have to sing a long?
For we'd rather have another Christmas song
We need another Christmas song
The same old chestnuts roasting far too long
Last Christmas I gave you my heart
Getting stuck up the chimney is not very smart
If you're more than ninety two We have n't got a Christmas phrase for you
Stop rocking round the Christmas tree It's time to right the wrong
So we've got to write another Christmas song
Da dee da dee da dee da Da dee da dee da dee da
We'll write a Christmas song in which no Christmas words appear
And have a Christmas song that we can sing all through the year
Da dee da is easy to re member Da dee da from January to December
Da dee da dee da We can all just sing along
Da dee da another Christmas song
Da dee da dee da dee da Da dee da dee da dee da
Da dee da dee da Da dee da dee da Da dee da de da dee da
Da dee da dee da dee da Da dee da dee da dee da
Da dee da dee da dee come and sing along
Da dee da another Christmas song Da dee da another Christmas song
